## OBJECTIVE

Motivated and detail-oriented MERN Stack Developer with a strong foundation in building scalable web applications. Proficient in **MongoDB**, **Express.js**, **React**, and **Node.js**, alongside modern tools like **Next.js**. Adept at developing responsive, user-centric solutions through hands-on independent project experience. Passionate about **writing clean**, maintainable code, **solving complex problems**, and continuously **learning modern web technologies** to deliver impactful results.

## SKILLS

**Frontend:** Next.js, React.js, JavaScript(ES6+), HTML5, CSS3, Tailwind CSS, Responsive Design, Hero UI, Motion Framer

**Backend:** Node.js, Express.js, REST API Development, MongoDB, JWT Authentication, Middleware

**Tools & Platforms:** Git, GitHub, VS Code, Postman, Butter Auth, Stripe, Figma, npm, Vercel, Netlify

**Soft Skills:** Problem Solving, Analytical Thinking, Communication, Adaptability, Quick Learner

## PROJECTS

### SkillSphere - Tech E-Commerce

[Live link](#) | [Client](#)

**Description:** A responsive full-stack e-commerce web application built to browse, filter, and securely purchase computer hardware with a seamless user experience.

#### Key Features & Contributions:

- **Secure Backend Architecture:** Built a scalable backend service using Express.js and MongoDB to handle dynamic product specifications, and implemented secure user authentication utilizing Butter Auth.
- **Advanced Navigation & Filtering:** Developed a multi-level responsive menu and implemented complex filtering options (e.g., RAM, GPU, Storage) to optimize product discoverability.
- **Optimized UI & Media Handling:** Built a fast, interactive frontend using Next.js and Tailwind CSS, featuring a dynamic multi-image gallery for detailed product viewing.
- **Secure Checkout Process:** Integrated the Stripe payment gateway to facilitate safe and reliable user transactions and order management.

**Tech Stack:** Next.js 14, Node.js, Tailwind CSS, MongoDB, Butter Auth

## Education

**Bachelor of Building Engineering and Construction Management(BECM),**

Khulna University of Engineering & Technology (KUET), Khulna 9203, Bangladesh

2024 -Present

**Complete Web Development Course** | Programming Hero | Dec 2026

## Language

**Bangla:** Native / Fluent, **English:** Professional / Fluent
